INGREDIENTS

500g	Macaroni, dried
4L	Boiling water
500ml	Milk
75g	MAGGI® Classic Cheese Sauce
15g	MAGGI® Gluten Free Vegetable Booster
	Black pepper to taste
500g	BUITONI® Pasta Sauce
300g	Grated cheese
100g	Cherry tomatoes

METHOD

Bring a large pot of salted water to a rolling boil. Add the dried macaroni and cook until al dente (approximately 8 minutes). Drain well and set aside in a large mixing bowl.

In a small bowl, whisk the **MAGGI® Classic Cheese Sauce** powder and **MAGGI® Gluten Free Vegetable Booster** into 250ml of cold milk until completely smooth and free of lumps.

Meanwhile, bring the remaining 250ml of milk to a boil in a saucepan over medium heat. Gradually stir the cold milk mixture into the boiling milk. Bring the entire mixture back to a gentle boil, then reduce the heat and simmer for 5 minutes, stirring occasionally until thickened.

Pour the warm cheese sauce over the cooked macaroni, season with pepper, and toss until the pasta is evenly coated.

Transfer half of the cheesy macaroni into your baking dish, spreading it into an even layer. Spoon a thin layer of BUITONI Pasta Sauce over the pasta, then top with the remaining macaroni.

Garnish the top generously with grated cheese and the halved cherry tomatoes. Bake in a preheated oven until the cheese is melted, bubbling, and beautifully golden brown.

CHEF'S TIPS

Boost the Flavour:
Elevate the dish by folding crispy bacon pieces or sautéed chorizo into the macaroni before assembling.

Pack in the Veggies:
For a more wholesome meal, toss diced fresh or frozen vegetables directly into the pasta mixture before layering.
